

McCain Athletics Network Coach Bursary Form

Suffolk Essex
Athletics Network

The Suffolk Essex Athletics Network can now allocate some funds towards supporting the training of new and existing coaches within the local area.

England Athletics have revisited their approach in order to help clubs within networks access the funding they need to develop their coaching infrastructure. The focus of a network must remain on the development of coaching and club infrastructure in particular regular and ongoing support to any coach with identified areas for development. To help this, England Athletics have agreed that networks can issue a limited amount of existent grants towards bursaries. This new subsidy can be used **alongside** the existing England Athletics discounted price for the 2010/2011 affiliated club members.

Criteria for Network bursaries:

The Suffolk Essex Athletics Network are able to offer bursaries to further reduce the costs of attending any 'coach' or 'coaching assistant' courses up until the end of 2010. The following rates can be offered (Network bursaries are limited - places will be offered on a first come first served basis):

Award	Cost of Award	Discounted price for EA affiliated club members	Additional discount that networks can offer (using existing network funds)	New price of course to coach/club
Coaching Assistant	£175	£130	£30	£100
Coach	£365	£325	£125	£200

Coach Bursary Application

Coaches should book onto the coaching courses through the usual process, then in order to apply for the network bursary, this form should be completed and returned to Tania Spurling (contact details included below). This will then be verified by your club, and reimbursement given. Please note, network bursaries can only be issued after completion of the course.
