

Royal Parks Foundation Half Marathon

11 October 2009

What better than an autumnal run to enjoy the avenues of beautiful trees and get fit at the same time?

Médecins du Monde UK is recruiting runners for a new half marathon to raise vital funds for its emergency work. MDM UK sends volunteers overseas to provide medical care to vulnerable people who are affected by natural disasters, conflict and extreme poverty.

Our long-term objective is to *make health a human right*.

The royal parks foundation, the charity for the eight royal parks, is launching this new 13.1 mile course, starting and ending in Hyde Park. It will take you through the most beautiful parks of London: Hyde Park, Kensington Gardens, The Green Park, St. James's Park and you will run along the River Thames. The 12,500 runners will have superb view of famous monuments such as Buckingham Palace, the Houses of Parliament, Marble Arch, the London Eye and the Royal Albert Hall along the way.

Registration fee : £25
